

## Professional Staffing Services

### Why Choose EdgeStone?

#### Because we...

- **understand** that your time is too valuable to spend all of it looking for the perfect candidate to meet your needs. We find the candidates, personally pre-screen them in a face to face interview, and brief them on your company and your requirements. When you meet them, they are fully prepared to discuss your specific needs. We will save you and your staff precious time.
- **are flexible.** We offer to provide staffing services for a specified time, as a contingency to hire after a trial period, or as a permanent placement to your staff.
- **are focused** on the professional staffing business. This enables us to provide the best candidate to meet your needs.

### Key Benefits of the EdgeStone Service

Based on our extensive experience in running and growing technology based companies, EdgeStone recognizes that timely staffing is critical to your success.

Our team has extensive experience in staffing positions in the services industry. From Managers to those hard to find skill sets, we can fill your needs.

Hiring the right professional is a critical part of a company's effort to maintain a competitive edge. Finding the best candidate for the job isn't easy. At EdgeStone, we make it easy so you can focus on running your business.

### Staffing Services

- We specialize in providing high quality staffing solutions to companies nation wide.
- Our talent pool of professionals has extensive experience in the following recruiting disciplines:
  - Information Technology
  - Accounting/Finance
  - Human Resources
  - Sales
  - Engineering
- We offer personnel on a contingency to hire basis. This gives you time to determine if you have hired the right candidate.

### Permanent Placement Services

- We provide all your recruiting needs in a timely fashion at competitive rates.
- You can interview at your site or off. We have available a convenient and confidential interview setting. We have 6 sites in the New York to Philadelphia business corridor for you to interview the candidates.
